

PARTICIPANTS NEEDED!

DART STUDY

How do you perform under stress?

In this study, during one 90-minute session, you will:

- Complete questionnaires
- Throw darts while submerging your hand in cold water for three minutes
- Wear eye-tracking glasses and a heart rate monitor while you perform

SIGN UP FOR YOUR VISIT HERE

You may be eligible if you:

- Are at least 18 years old
- Do not wear prescription eyeglasses (contacts are okay)
- Do not have a history of Raynaud's Disease or vasovagal syncope

This study is led by an FSU student PI (Daniel Biancamano)
